

2016-17

Primary Schools Games Grant @ Stamfordham First

Uses of this funding:

- hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- supporting and engaging the least active children through new or additional clubs
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sports competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school clubs and holiday clubs
- adding to existing PE resources
- pooling the additional funding with that of other local schools.

At Stamfordham First School we currently use our money in a variety of ways mentioned above.

We work closely with the School Sports Partnership and access training for school staff and a host of clubs and competitions for our pupils.

Our children access sporting events and competitions and take part in a range of after school activities.

We have a named governor on the Governing Body who is responsible for monitoring how well we use this money by looking at such indicators as pupil welfare and health as well as on the academic attainment.

Grant received - £8,297

Total number of FT pupils on role

81**Planned spending record 2016-17**
