

10. Gathering ideas - innovation

You have done some fantastic unicorn research so far. Well done. I think you are ready to help Professor Dame Folklore write another page for her book 'Unicorns Uncovered'. The 'Introduction' is also intact, and it lists the following chapters:

10.Storm Unicorn

14. **Unreadable entry**

11.Frost Unicorn

15.Mountain Unicorn

12.Rainbow Unicorn

16. **Unreadable entry**

13.Fire Unicorn

You could write about one of the unicorns from the missing chapters or make up your own unicorn.

What is your unicorn called? Think about its body, mane, horn and tail. You could also think about its special features and magical powers. Draw and label your unicorn below. Unicorns can be hard to draw unicorns so there is an outline provided to help you. If you don't want to use this, draw it on separate paper.
