

Let's get started!

1. Sparky-start: mythical beast mix-ups!

In this booklet, you will learn all about unicorns. Unicorns are one of many mythical beasts that have been written about and talked about over time. Let's have some fun with my 'mythical beast mix-up'!

Legends and stories are full of mythical creatures and fantastic beasts that are made up of parts of other animals mixed together. These are called 'hybrids'. They are fun to explore. For example:

Centaurs have the upper body of a human and the lower body of a horse.

Griffins have the body, legs and tail of a lion and the wings of an eagle.

The Minotaur has the head of a bull and the body of a human.
