

Activity 5: what's in a cave elf's knapsack?

Cave elves have to make occasional journeys to the market in order to buy provisions or seeds for their gardens. What 6 things might you find in a cave elf's knapsack? Here is a list of 6 things found in a goblin's knapsack. You can hear me read this aloud here:

Six things found in a goblin's knapsack

1. Two fire-flies in a jam jar to light up your way.
2. A flagon of never-ending water to quench any goblin's thirst.
3. The fang of a dragon to slay fleeing foe.
4. A pair of light boots which can endure months of crossing rivers, navigating woods and stumbling through seemingly endless caves and caverns.
5. A steel-lined cape and a skull-basher.
6. A net for catching harmless hobbits and unsuspecting elves.
