4th November 1922

Lord Carnarvon accompanied me as I searched for the ancient Egyptian boy king, Tutankhamun. I had managed to persuade him to finance one final trip as I was desperate to achieve my lifelong quest to find the tomb. According to the foreman, Ali, we were now within two days of reaching the sealed door. I suddenly began to appreciate how close we were to making a discovery.

B What did Howard Carter find inside the tomb?
