

Art – Lesson 2 – Paul Klee

- Have a look at the Power Point to see a collection of Paul Klee's work.
- Use a piece of A3 or A4 paper.
- Create a multi-coloured background, using whatever resources you have available. For example: Paint, sponges, coloured pencils, coloured paper, chalk or pastels. Be creative!
- Put your background in a safe place to dry ready to use for next week's lesson, when we will add an image to express emotions in our art work.
