

6. Look at the table below. Tick the food that the Rhiswanozebtah would eat.

	Would eat	Wouldn't eat
Rabbits		
Cauliflower		
Leaves		
Snakes		
Water buffalo		

7. Why might the Rhiswanozebtah be so rare?

8. Which section of the text tells you about what the Rhiswanozebtah can do? Write the opening sentences of that section below:
