

## Welcome to the Rhi-swano-zeb-tah workbook.

Inside you'll find lots of things to work through that will help you with your reading and writing skills and build on the work you do at school.

I'm your explorer and guide, so let's get on with our exciting adventure together!

### Stimulus - *Where the Wild Things Are*

In 1963, Maurice Sendak wrote the picture book **Where the Wild Things Are**. Do you know it? In the story, Max, on the night he wore his wolf suit, went on a magical journey to the land of the Wild Things and became the king of these strange creatures. Eventually, he missed home and made the journey back to his bedroom, where it all began. It's a wonderful story – you can listen to it here and see the wonderful illustrations.

In the story, there are many strange creatures that have never been seen before. As an explorer, I discover strange creatures all the time on my travels around the world. I have become expert at looking very carefully for animals as some are very good at hiding.
