

History – Lesson 3

The Industrial Revolution

- Watch the PowerPoint 'The Birth of the Industrial Revolution'.
- Using the activity sheet as a guide, write two or more reasons why each factor was important in the industrial revolution.
- In your opinion, give each factor a number based on its importance with '1' the most important, down to '6', which is the least important.
- Finally, write a few sentences explaining your choices for number 1 and number 6.
