

Activity 8: New ideas for your story

Now comes the fun part! You might already have the beginnings of an idea for your story from what you have read so far. If not, don't worry we are going to generate our ideas one step at a time.

3 MAIN CHOICES

- 1) A realistic story based on Sandy Cove that could happen to you e.g. *in the woods, in the park, on holiday, at a new house ...*

- 2) A story based on a topic you know a lot about: e.g. *Romans, Space, Vikings...*

- 3) A story based on/set in the world of a book you know. You can take some of the characters, settings and objects from the story e.g. *Holes, Harry Potter, Skellig ...*
