

The Adjective Game

Adjectives are used to describe nouns.

Let's make a list of all the things (nouns) you can see in these pictures of Iceland. For example, I can see **rocks** and **clouds** ... what else can you see? Add your ideas to the table on the next page.

Now try and think of some interesting **adjectives** to describe the things in the pictures of Iceland.

Remember you can always magpie some of the words in the story to get started!

Writing Tip – try and think about:

- **What is the colour?**
- **What is the size?**
- **What is the mood** (for example, a calm sea or lonely clouds or a terrifying crater)
