

Where do I live?

Today we will be...

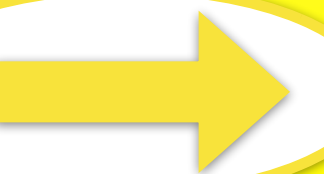

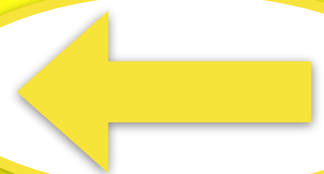

Finding out about the countries and capital cities of the United Kingdom.

Which planet do we live on?
Which continent do we live in?
Which country do we live in?

How many of these
questions can you
remember the answer to?

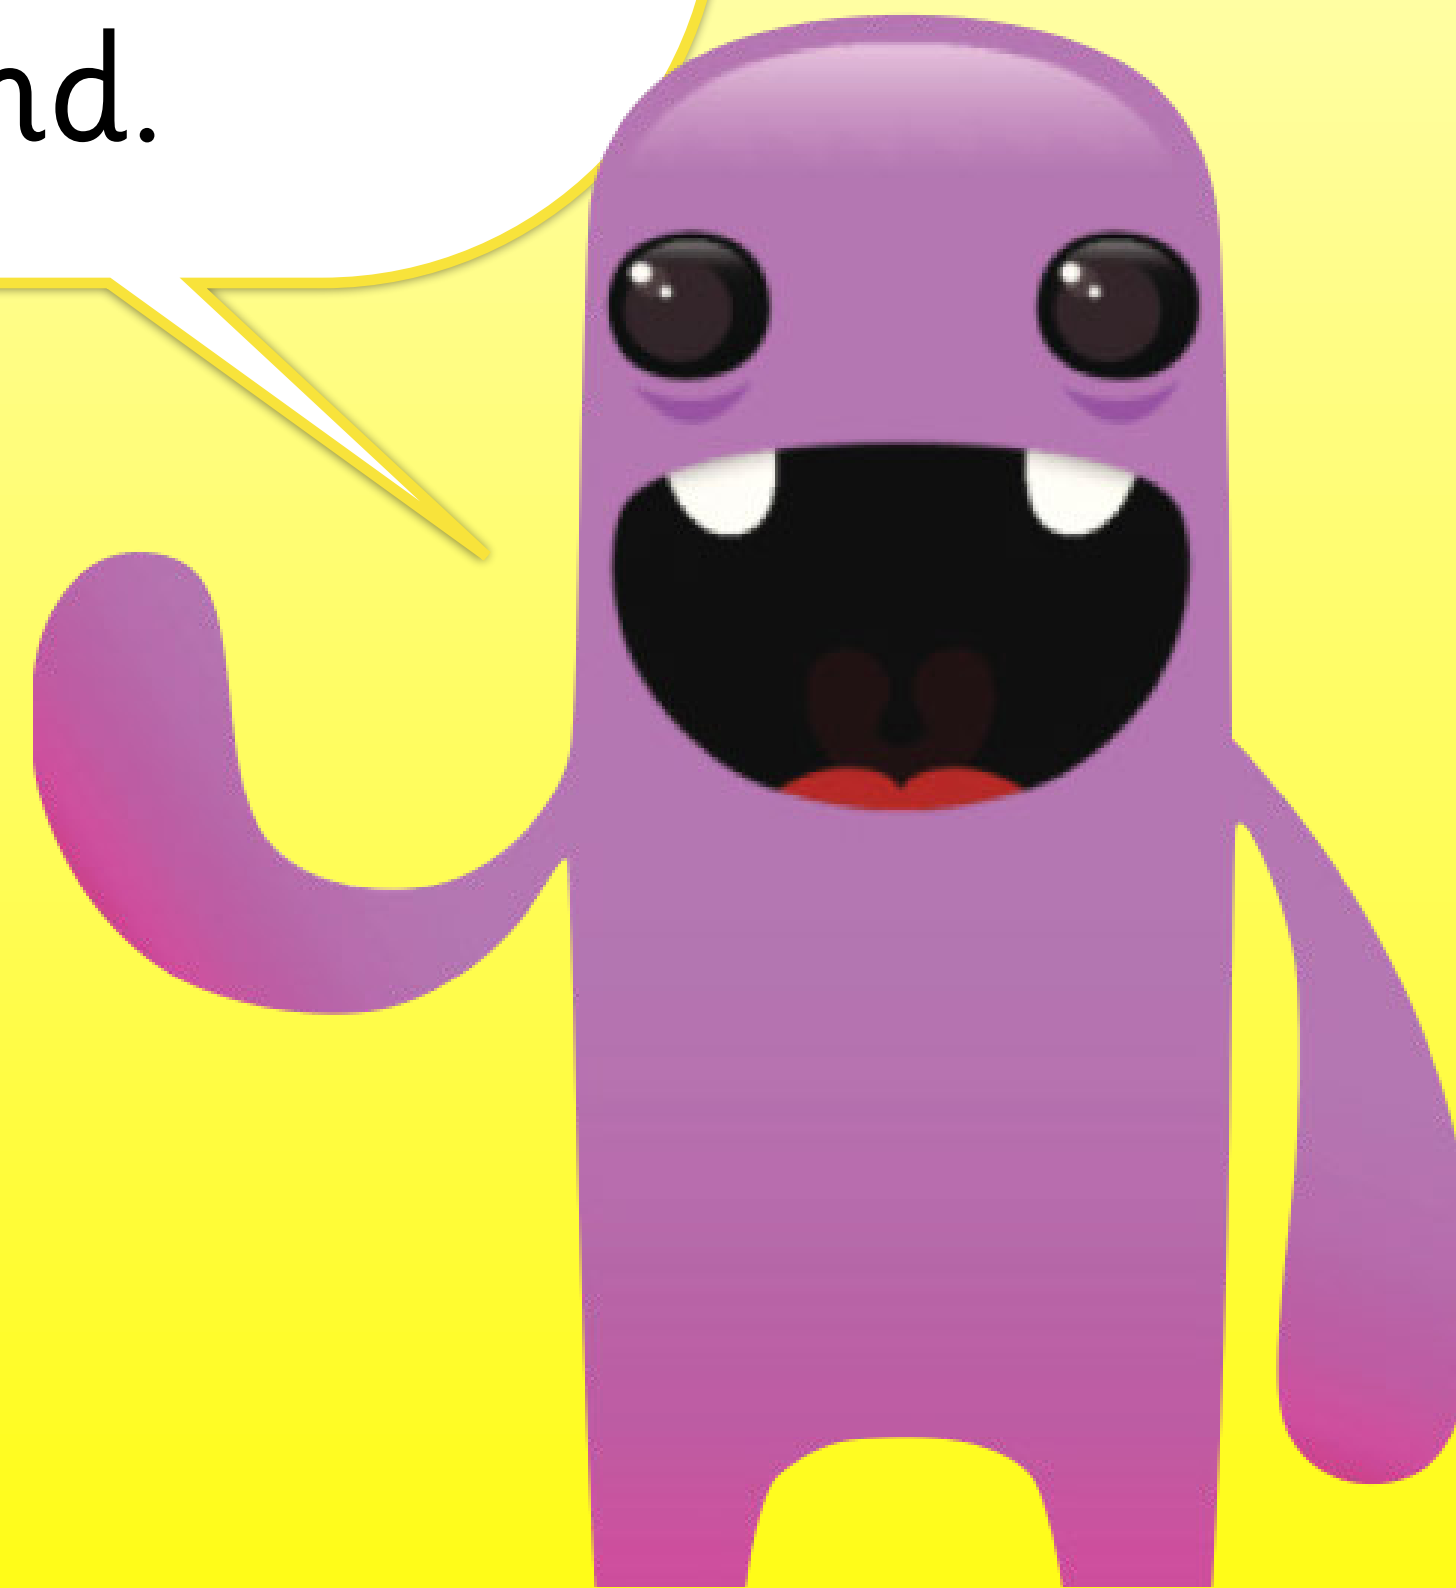

We live in the United Kingdom which is a group of countries in the continent of Europe.

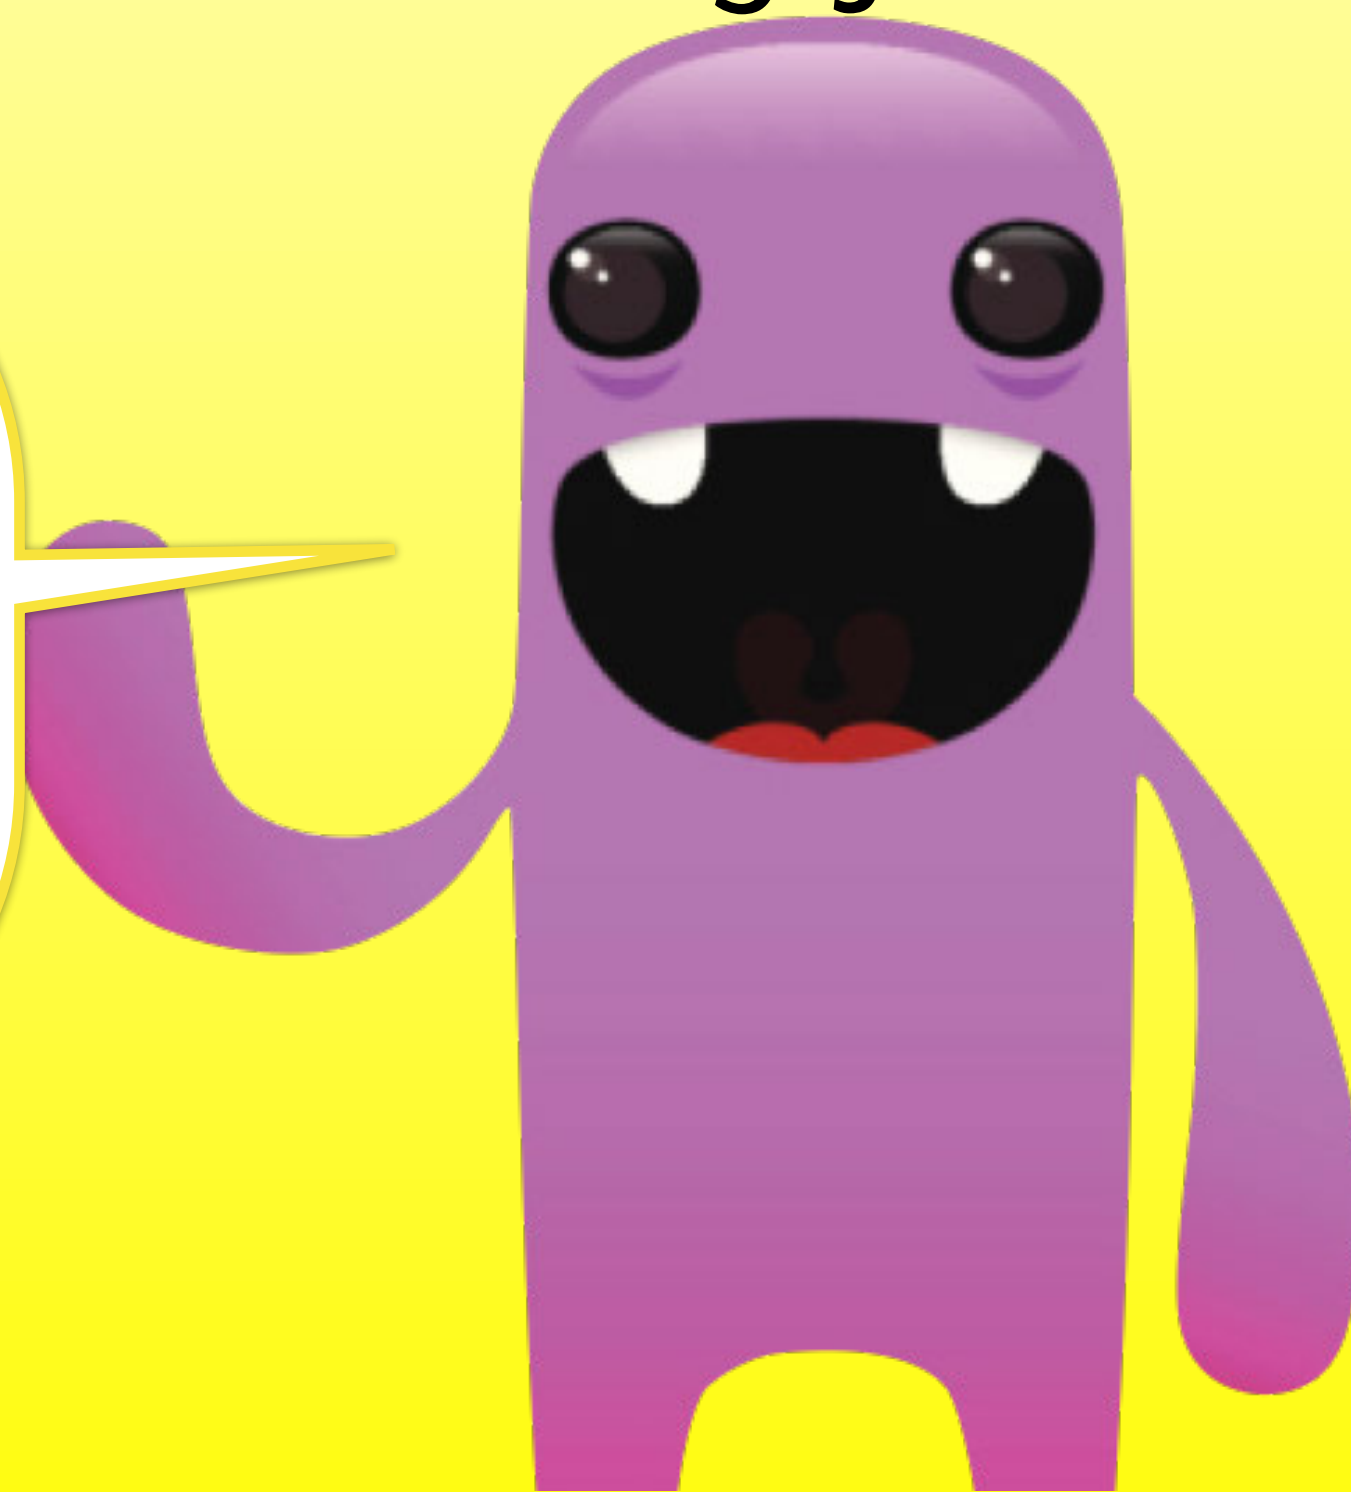

Do you know how many countries are in the United Kingdom altogether? Do you know what the countries are called?

The four countries that make up the United Kingdom are England, Scotland, Wales and Northern Ireland.

Each of the countries of the UK has their own capital city. A capital city is the most important city in a country as it is where the government runs the country from.

Can you read each of these capital cities?

The overall capital city of the United Kingdom is London. This is where the central government runs the whole of the UK.

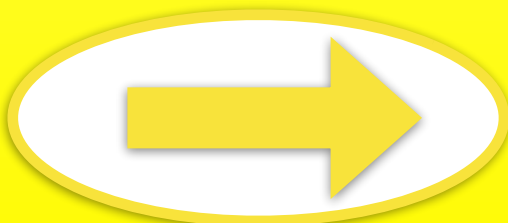

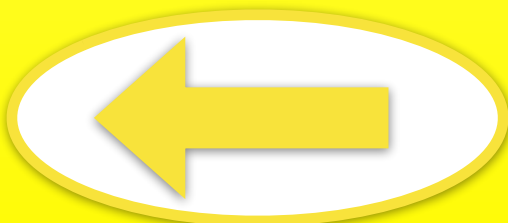

This is the Houses of Parliament where the Members of Parliament meet to decide how the country should be run.
